

The Heart of Texas Education Coop (Brady ISD) is now accepting applications for a speech pathologist for the 2011-2012 school year. Applications will be accepted until filled. Applications may be obtained at www.bradyisd.org or the Heart of Texas Education Co-op Office at 110 W. Main, Brady, TX 76825, or by calling 325-597-2558.

Major Responsibilities:

1. Provide the following speech therapy services for students placed in special education by the ARD Committee:
articulation, voice, fluency, speech reading, auditory training, and receptive and expressive language.
2. Complete language assessments for special education services.
3. Develop, renew, and update individual educational plans (IEPs) for students receiving speech therapy services.
4. Engage in case-management duties and schedule ARD Committee meetings for students whose primary special education eligibility is speech impairment. Attend ARD meetings for all students receiving speech therapy services.
5. Complete the necessary and required records and reports.
